EXAMINERS FOR SCHOOLS NAMED

Dr. Edward Martin, State Commissioner, Appoints Ten County Physicians.

MAKE TEST IN SEPTEMBER

Red Cross Plans Follow-Up Work With Those Children Found to Need Medical Attention.

Ten Adams county doctors were named Thursday by Dr. Edward Martin, State Commissioner of Health, as medical examiners for the public schools this fall.

They are Drs. H. F. Hollinger, Abbottstown; William E. Wolf, Ardenstville; George H. Seaks, New Oxford; George L. Rice, McSherrytown; C. G. Crist, Gettysburg; Harry Crouse, Littlestown; Eugene Elgin, East Berlin; Ira Henderson, Fairfield; Albert Woomer, Cashtown; E. W. Cashman, York Springs.

Beginning in late September these physicians will start their tour of the schools in the districts assigned to them. Every child in the public schools of the county is required to be examined and a report sent to the State Department of Health for each individual.

In connection with these examinations this year the local representatives of the department and the Adams county Red Cross are making plans for a follow-up campaign whereby those children found to be defective will be helped and an effort will be made to assist parents to have the child get the necessary medical treatment. This plan will be put in operation this year, with Miss Margaret McMillan, Red Cross secretary in charge of the work. After the hospital is completed it is planned to extend the follow-up work.

The following is the list of doctors and the territory to which they have been assigned:

Abbottstown, Dr. H. F. Hollinger; Biglerville, Bendersville and Ardenstville boroughs and Menallen and Butler townships, Dr. William E. Wolf, Ardenstville; Berwick, Oxford, Tyrone and Straban townships and New Oxford, Union and Conewago boroughs, Dr. George H. Seaks, New Oxford; McSherrytown and Conewago and Mount Pleasant townships, Dr. George L. Rice, McSherrytown; Gettysburg and Cumberland township, Dr. C. G. Crist, Gettysburg.

Littlestown and Mount Joy, Germany and Union townships, Dr. Harry Crouse, Littlestown; East Berlin and Hamilton and Reading townships, Dr. Eugene Elgin, East Berlin; Fairfield and Freedom, Highland and Liberty townships, Dr. Ira Henderson, Fairfield; Hamilton and Franklin townships, Dr. Albert Woomer, Cashtown; York Springs and Huntingdon and Latimore townships, Dr. E. W. Cashman, York Springs.

BROOKLYN CHILDREN HERE

Fifty Eight Boys and Girls Arrive in Adams County.

Fifty eight children of the Society of Inner Mission and Rescue Work of New York City arrived in Adams county, Thursday night, after a ten hour ride from the Gotham metropolis.

One of the children got off the train at Aspers station, six at Biglerville, and the other fifty one at Gettysburg.

Rev. V. A. M. Mortensen, president and general superintendent of the Mission, who was here last year, was again in charge of the group of children who will remain in Adams county for two weeks.

All of the fifty eight boys and girls are residents of the city of Brooklyn.

INSTRUMENTS FOR HOSPITAL BOUGHT

Furniture Will be Installed in August. People's Drug Store Donates.

Instruments for the operating room of the Annie M. Warner Hospital have been purchased and will be here within thirty days it has been announced. Practically all the equipment but that on the sundry list has now been ordered and as soon as the laying of the marble floor is completed the work of moving in the furniture and hospital equipment will commence. A force of six men are now pushing the work of laying the floor. This will be finished by the end of next week. The floor will be allowed to set for one week and by that time the furniture and operating room equipment is expected to be here.

By the first of September, those who are in charge of the work believe a greater part of equipment will be in place and attention will then be turned to securing a hospital staff of nurses and helpers and the purchase of numerous sundry articles that are needed. A great many of the articles on this list, however, will be made by the women who have joined the Hospital Auxiliary.

While it is possible the hospital may be ready for the official opening by the middle of October, it is possible the date may be later, due to the uncertainty in freight shipments and the time required to perfect an organization. Plans are now being made for an intensive two-weeks campaign for funds to follow the opening.

It has been announced that the laboratory equipment for the hospital is being furnished by the People's Drug Store. Numerous minor donations have been received from the Red Cross and individuals and these will be checked up for the purpose of determining just how much more equipment will have to be purchased.

CALL DR. KUHLMAN

Former Member of Seminary Faculty to Boiling Springs.

By a unanimous vote on the first ballot taken at a congregational meeting in Boiling Springs, the Rev. Dr. Luther Kuhlman, of York, was elected pastor of St. John's Lutheran church. The salary will be raised \$200. The call has been mailed by the church council to Dr. Kuhlman.

For sixteen years Dr. Kuhlman was pastor at Frederick and later served as a professor at Gettysburg Theological Seminary, until the recent merger of the Lutheran churches when he was field secretary of the foreign missionary society.

FREIGHT CARS SCARCE HERE

Demand is About Twice the Supply in Local Yards.

The freight car shortage as far as Gettysburg shippers are concerned is just as serious as it has been at any time for a number of months, according to a statement made this morning by Philadelphia and Reading officials here. Box cars are almost impossible to get at all and only one car is available where there is a demand for two. Despite this condition Gettysburg factories are managing to get along without serious inconvenience.

OPERATION AFTER TYPHOID

Mrs. Mary Robinson in Westside Sanatorium, York.

Mrs. Mary Robinson, West Middle street, who had just been out of bed three days after a two months' illness with typhoid fever, was taken to the Westside Sanatorium, York, Thursday afternoon where she underwent a serious operation. Although dangerously ill, her condition was reported as favorable.

TO DISCUSS HEALTH BOOK

A special meeting of the directors of the Gettysburg Chamber of Commerce has been called for this evening in the office of the secretary, George Fissel. The session is called to discuss plans for publishing a public health service handbook in which the Red Cross here has interested the organization.

WILL CELEBRATE ANNUAL MASS

St. Ignatius Congregation, Buchanan Valley, to Picnic July 31.

STRIKING ANNOUNCEMENT

Father Whalen Explains Why Open Air Service is Held. Congregation of Magnificent Distances.

St. Ignatius' Church, of Buchanan Valley, will hold its annual field mass and picnic Saturday, July 31st. It is one of the oldest and most loyal congregations in the Harrisburg diocese. Originally the Jesuits possessed this flock, but they handed the church over to the late Bishop Shanahan. St. Ignatius is called the "parish of magnificent distances," for its flock, numbering over three hundred, is scattered wide upon the Blue Ridge Mountains and down in the pine-shaded valleys. On Sundays and feasts you will find every manner of conveyance from a mule and a certain automobile to a high-powered, limousine jouncing along to the morning masses.

Under an ancient tree which droops lovingly over the altar, the mass will be offered in honor of the soldier-priest, Ignatius, whose followers are known the world over. The Knights of Columbus will supervise the day. The mass will begin at 11:45 to be followed by an old-fashioned dinner. As the Lincoln Highway is now open between Chambersburg and Buchanan Valley, a large crowd will be in attendance.

The advance announcement is quaint and striking: "To see our wee church is to love it. It's old but its heart is young. The biggest cathedral doesn't always encompass the deepest religion anymore than the broadest skull binds

METHODISTS HAD EVENTFUL DAY

New Oxford Won Long Drawn Out Baseball Game. Pastor Leads Fat Men.

New Oxford and Gettysburg Methodists returned to their homes Thursday night after a delightful day spent in the grove near Granite. More than three hundred persons were present during the day and the annual picnic attendance was one of the largest in recent years.

There were nail driving contests, penny scrambles in sawdust, fat women's race, fat men's race, baseball and other sports. Rev. Harry Daniels, pastor, easily won the race for fat men. The inter-town quait contest was won by Gettysburg which was represented by Mr. Daniels and Roy Stallsmith. The baseball game between Gettysburg and New Oxford started in the morning but it was found necessary to continue the contest after dinner. The game was disturbed once when the umpire's wife led him from the field. New Oxford finally won the battle as the shadows were lengthening by a score of 18 to 10.

The day was brought to a close when the picnickers gathered around the automobile trucks for a half hour sing. A prayer and the benediction were pronounced by the pastor at the close of the service.

MISSIONARY TO SPEAK

Mrs. J. G. Rupp to Visit Churches in Ardenstville Charge.

Mrs. J. G. Rupp, of Allentown, who with her husband, Rev. J. G. Rupp, Field Secretary of the Board of Foreign Missions of the Reformed church, traveled extensively in China and Japan, will tell her story in the Ardenstville Reformed church Sunday. She will speak at Bender's church Saturday evening at 8 o'clock; at Biglerville Sunday at 2 p. m.; and at Ardenstville Sunday evening at 7:30. The public has been invited.

DEMOCRATS TO MEET

READ IT AND WEEP

A warning was issued Thursday by Internal Revenue Agent John A. Person that the making of "home brew" is a violation of the law. "Many persons," he said, "are under the impression that the making of beer at home is not illegal. Such a practice is against the law, and under the old internal revenue ruling a home in which beer is made automatically becomes a brewery, and the government can exact the license that is assessed a brewer."

Mr. Person said he has received many inquiries in regard to the making of "home brew" as to whether such a practice was legal.

CIGAR COMPANY RAISES WAGES

Increase of Ten Per Cent Announced by Seidenberg Branch Here.

A ten per cent increase in wages to all employees of the Seidenberg Branch of the American Cigar Company was announced today by A. J. Goldsmith, general manager, of York. The increase in wages was made voluntarily by the company and was given because of the excellent work that is being done by the girls most of whom have been making cigars less than five months.

At the same time it was announced that a new factory manager had been secured in Warren Doubler, of Reading. In discussing prospects with Mr. Doubler for enlarging the plant Mr. Goldsmith stated that just as soon as it had been demonstrated Gettysburg could furnish the necessary number of workers the company was ready to go ahead immediately to double the size of the present factory. Just now there are sixty employees on the pay roll, most of whom are women. The plant has a capacity of seventy five employees and is ready now to take on more learners.

The bonus system for learners has worked out satisfactorily here as is shown by the rapid progress being made by many of the girls who had never been inside of a cigar factory until the plant opened February 25 this year. The bonus to learners amounts to as much as \$4 a week. Some of these girls the manager stated were turning out perfect cigars now in fair amounts each day.

Another improvement has been made to the factory in the form of a rest room. This was recently built by the company on the second floor and furnishes a place for those carrying lunches to spend the noon hour.

SELECTIONS WELL RECEIVED

Citizen's Band Gives Another Successful Playground Concert.

The majority of the crowd of several hundred persons who witnessed the baseball contest between First and Second Wards on Thursday night waited at the Kurtz Playground for the weekly concert of the Citizen's Band and served as the nucleus for a total attendance that reached over five hundred.

All of the selections of the band were well received by the persons in the audience who lined the bank above the band stand and many comments were heard of the rapid progress being made by the players in mastering difficult classical selections.

A baritone vocal solo by Roy E. Zinn, Adams county treasurer, entitled "Who'll Take the Place of Mary" brought forth an encore. George Gouker, who has had many years of musical experience in the army and navy, acted as leader of the band. He is a brother of J. C. Gouker, the regular leader.

COUNTY WHEAT IS BELOW AVERAGE

Crop Estimate at Harvest is 75 Per Cent of Normal.

RYE AND OATS BETTER

Total Field Crops of State Will be Worth \$400,000,000, Statisticians Declare.

Adams county's wheat crop has fallen eleven per cent below the average yield for the state this year which is only eighty six per cent of normal, according to a statement issued today by the State Department of Agriculture. The county's rye crop is eighty eight per cent of normal and the oats ninety eight per cent.

There are approximately 45,750 acres planted in corn in the county which is ninety eight per cent of the acreage of last year. The crop now is figured at eighty seven per cent of normal. The county's potato crop will yield ninety one per cent of normal, with 1,933 acres out in this product.

Pennsylvania's field crops in 1920 will be worth more than \$400,000,000, from estimates of the yield made July 1, according to announcement made today by Secretary Frederick Rasmussen of the Pennsylvania Department of Agriculture.

Secretary Rasmussen made public the reports of the bureau of statistics showing that Pennsylvania's crop of wheat and oats, this year, will likely exceed the average yield for the past five years, while the corn, hay and potatoes will be slightly under the five year average. In view

LUTHERANS BY THOUSANDS THERE

Annual Reunion at Pen Mar Thursday Great Success.

Some 12,000 persons attended the thirty-fourth annual Lutheran Reunion at Pen-Mar Thursday the crowd being far above that of last year. The order was perfect. The program of exercises, comprised addresses by W. A. Anson, D. D., Harrisburg, entitled, "Our Lutheran Church, Its Opportunities and Responsibilities in America Now;" Mrs. Charles E. Hay, Baltimore, member of the Women's Literature Committee, entitled "Our Lutheran Veterans' Work and Workers;" Mrs. H. D. Becker, Hanover, president of the Women's Missionary Society of the West Pennsylvania Synod, entitled "Our New Recruits a Challenge." Prof. Bohl's Orchestra rendered several selections before opening of the exercises.

The account of Rev. C. W. Enders, chairman of the reunion shows receipts of \$237.18 and expenses of \$235, leaving a balance on hand of \$2.18 with several bills outstanding. The thirty-fifth annual Lutheran reunion will be held at Pen-Mar on the fourth Thursday of July, 1921.

DONOR ENJOYED EVENING

William B. Kurtz Mingled With Old Friends at Playground.

No one more thoroughly enjoyed the baseball game and band concert at the Playground, Thursday night, than its donor, William B. Kurtz, of Philadelphia, who was in Gettysburg for a short time to see with what appreciation his gift has been received by the people of this community.

Years ago Mr. Kurtz spent his vacations in Gettysburg and has many friends among the older residents with whom he talked the greater part of the evening. He, Burgess James Eicholtz, Squire John L. Hill and others recalled the scenes of the Gettysburg of former years when the town was only half its present size.

Before leaving for Philadelphia, Mr. Kurtz intimated that he had a big surprise in store for Gettysburg but failed to give out any definite information of his plans.

While here he and his daughter, Mrs. Potter, stayed at the Beuhler residence on Carlisle street.

RASMUSSEN WITH SURVEYING PARTY

State Secretary of Agriculture Well Pleased With Progress.

Frederick Rasmussen, secretary of agriculture, returned to Harrisburg on Thursday evening at the conclusion of a survey in the orchards of A. W. Griest and Son, and C. Arthur Griest.

Mr. Rasmussen, who arrived in Bendersville at noon on Thursday accompanied by a publicity writer, finished dinner at the Bendersville hotel early in the afternoon and went to the orchards of Fred Griest accompanied by Dr. S. W. Fletcher who has charge of the apple survey in Adams county; Paul Hoffman, farm agent; Professor H. E. Hodgkiss, of State College; and S. W. Frost, of the State College laboratory at Ardenstville. The remainder of the party which had met Secretary Rasmussen left for other portions of the apple belt to continue their part of the survey.

After getting desired information at the orchards of Fred Griest, the party proceeded to the farm of C. Arthur Griest where the survey was continued.

Secretary Rasmussen came to Adams county merely to check up the work of the surveying party and seemed well satisfied not only with the progress of Dr. Fletcher and his assistants but also with the evident desire of Adams county fruit growers to co-operate in the movement.

The farms of Fred Griest and C. Arthur Griest were the only ones the apple surveying party covered in the presence of Secretary Rasmussen.

BENDERSVILLE ORGANIZED

Tenth Hospital Auxiliary Formed There Thursday Night.

Mrs. W. A. McClean, Mrs. C. B. Stover, and Mrs. E. S. Lewars, who with other members of the Gettysburg Woman's Auxiliary of the Annie M. Warner hospital have been forming branches throughout the county which they hope will grow into large and active organizations during the coming months, went to Bendersville on Thursday night to meet the women of that vicinity in the Lutheran church.

Election of officers for the Bendersville Auxiliary which is the tenth to be formed in Adams county by the Gettysburg women resulted as follows:

Mrs. Florence Michener, president; Mrs. W. D. E. Scott, vice president; Miss Mabel Leonard, secretary; Mrs. Wilson Blocher, treasurer; Mrs. Mary Gove, chairman of the food committee; Mrs. H. W. Raffensperger, chairman of the entertainment committee; and Mrs. Edward Blocher, chairman of the membership committee.

RESOLUTE HAS THE LEAD

Over Two Minutes Ahead of Challenger on First Leg.

(By Associated Press)

Sandy Hook, July 23—Resolute defending the America's cup dashed first across the line today at the start of the fourth international yacht race which she must win to prevent Sir Thomas Lipton's Shamrock four, from capturing the price-less pewter trophy.

Shamrock crossed about a half minute behind the defender, according to unofficial time. With the starting signal sounded at 1 p. m., Resolute crossed at 1.01.33 official time and Shamrock at 1.01.56. Then both plunged forward on the first ten mile leg of the thirty mile triangular course—a beat to windward down the Jersey shore.

At 1.11 the American yacht was a quarter mile ahead.

Skipping along in front of Shamrock which needs but one more victory to capture the America's cup Resolute turned the first mark of today's triangular course at 2.34.47 and sped away on the second ten mile leg, a reach out to sea. The green sloop followed the defender around the first mark at 2.36.58.

WEARY POLAND ASKS FOR PEACE

Sends Armistice Proposal Direct to Soviet Russian Government.

OUTLOOK NOT PROMISING

Appeal Sent United States For Moral Support, Would Strengthen Morale of People in General.

(By Associated Press)

Warsaw, July 23—Poland has sent armistice proposals direct to the Soviet government.

Outlook Menacing

London, July 23—The Polish outlook appears increasingly menacing to commentators in this morning's newspapers. Poland not only is extremely hard pressed by the Bolshevik army, they say, but her territory is already invaded. One of the papers prints news purported to have been received by the British foreign office which says the Bolshevik right wing has occupied Seiny, northwest of Grodno, and about 30 miles from the nearest point on the German frontier.

Ministry Resigns

The ministry of Premier Grabski is reported to have resigned with the administration to extreme radicals with the idea, it is said, that such a government would be better able to make terms with the invaders. It is stated that preparations are being made for the evacuation of Warsaw.

Poland Appeals to U. S.

Washington, July 23—Poland has asked the state department to formally announce to the world the moral support of the United States to Poland in its battle with the Russian Bolsheviks.

The suggestion also was made that a similar expression from President Wilson would be welcomed and would do much to stiffen the morale of the Polish people.

STOCK REPORT

Traders Ignore Pessimistic Report on Foreign Exchange.

(By Associated Press)

New York, July 23—Traders ignored the pessimistic reports from abroad which accompanied the sharp decline of foreign exchange, leading stocks showing substantial improvements during the morning. Oils and independent steels led, Houston increasing its gain to almost 6 points while Mexican petroleum rose 2 1/2 points. Crucible, Republic, Vanadium, Bethlehem and Floss-Sheffield gained 1 to 1 1/2 points and Baldwin locomotives rose the same extent.

Inquiry for rails and shippings embraced Canadian Pacific, Union Pacific, Reading and several low priced issues particularly New York, Chicago and St. Louis. Call money opened and renewed over the week-end at eight per cent.

BRYAN REFUSES HONOR OF DRYS

Third Ohio Man Candidate For Presidency. Nominated by Prohibitionists.

AARON WATKINS, THE MAN

Bryan, on Fishing Trip, Says He Will Stick to Democratic Party. Sympathizes With Drys.

Lincoln, Neb., July 23—Ohio got its third presidential candidate for the 1920 campaign when the Prohibition National Convention nominated Aaron S. Watkins, of Germantown, O., after learning from William J. Bryan that he would not accept the nomination voted him Wednesday.

Mr. Watkins won on the second ballot after he and R. H. Patton had each received 85 votes on the first. The vote was: Aaron S. Watkins, 108; R. H. Patton, 74; D. A. Poling, 24; C. A. Randall, 2. It took 105 votes to nominate.

On the first ballot the result was: Aaron S. Watkins, Germantown, O., 85; R. H. Patton, Springfield, Ill., 85; Dan R. Poling, New York, 28; C. A. Randall, California, 9.

Mr. Watkins is a professor of literature in a Germantown military academy. He was a professor in Ada College, Ohio, for several years and was vice presidential candidate on the Prohibition ticket in 1908 and 1912.

Bozeman, Mont., July 23—William Jennings Bryan last night reiterated his refusal to accept the Prohibition party nomination.

The first intimation of his nomination for the presidency by the Prohibition convention at Lincoln, Nebraska, was received by him at 1 o'clock Thursday afternoon at Madison Lake, upon his return from a forenoon of fishing, when he read an Associated Press dispatch giving the text of the telegram sent to him by the convention at Lincoln. He was 40 miles from any telegraph office at the time, but as soon as he reached Norris, Mont., he telegraphed a reply declining the nomination. His telegram is as follows:

"Please deliver the following message to the chairman of the Prohibition National Convention, now in session at Lincoln. Having been away from the railroads and telegraph facilities for the past 24 hours, I have not received your telegram notifying me of the nomination tendered me by the Prohibition party convention, but having read a copy of it in the Bozeman Chronicle, I hasten to reply. I profoundly appreciate the honor done me in tendering this nomination and I fully share in the convention's interest in prohibition as the permanent policy of our country and in the strict enforcement of the Volstead act without any weakening of its provisions. I also share the convention's disappointment at the failure of the Democratic and Republican parties to pledge their candidates to such a policy, but I cannot in justice to the Prohibition party nor to myself accept the nomination.

Sticks to His Party
"My connection with other reforms would make it impossible for me to focus my attention upon the prohibition question alone and besides I am not willing to sever my connection with the Democratic party, which has so signally honored me in years past."

Sixty Union Leaders And Rail Men Summoned.

(By Associated Press)
Chicago, July 23—Subpoenas for sixty railroad officials and union leaders to appear before the Federal Grand Jury next Wednesday were issued today at the request of District Attorney Charles F. Clynne.

The witnesses are to testify in the investigation of the activities of John Grunau, president of the Chicago yardmen's association, and twenty seven other leaders in the unauthorized strike last April. Grunau and his associates have been out on bail following their arrest on charges of violating the Lever law by holding up movements of food and fuel.

Major Elroy Hume special assistant attorney general arrived here from Washington several days ago and questioned heads of the sixteen recognized railroad unions about the strike.

FOUNTAIN HEARS WORK ON GALLOWS

Negro Pleads With Sheriff to Shoot Him. Maintains His Innocence.

Easton, Md., July 23—Cowering in his darkened cell in the Talbot county jail, Isaiah Fountain, twice convicted of criminally assaulting Bertha Simpson, a 14-year-old white child, of Trappe district, on April 1, 1919, was last night in a condition of almost complete collapse as he awaits the march to the gallows. Cringing to the sound of the gallows builders' saws and hammers as carpenters carry out their gruesome work scarcely 20 feet from his death cell, the condemned negro's terror of the rope reached its climax Thursday when he pleaded with Sheriff Soulsby to shoot him at once.

At a late hour last night Fountain still maintained his innocence of the crime. The impression of those who have seen the negro during the last few days is that he will go to the gallows without a confession. He seems on the verge of a physical collapse.

All day he sat in moody silence, giving little voice to his feelings. To a correspondent he said he could not sleep because of the noise of the carpenters so near him, and that he was awake all but two hours Wednesday night.

The excitement of the case, when the condemned man was a few weeks ago, at liberty for several days after having broken jail, has died down. The indignation of the people of Talbot over the crime for which Fountain was convicted has subsided. Sheriff Soulsby has not let the hour of the execution leak locally. So if the expected crowd delays its morbid gathering until after sunup, its curiosity is to go unsatisfied.

DIED AS RESULT OF STRAIN

Mrs. John Humes, Idaville, Hurt Herself Hanging Clothes.

One week ago while stretching to place some clothes upon a wash line, Mrs. John Humes, forty two years of age, strained herself internally. On Thursday morning she died at her home in Idaville as the direct result of that internal strain.

Prior to her illness during the week Mrs. Humes was in excellent health and her sudden death was a great shock to her family and friends.

Before her marriage Mrs. Humes was Miss Annie Grace Kennedy, daughter of the late Samuel and Elizabeth Kennedy, of Menallen township.

She is survived by her husband; one son, Samuel, at home; one daughter, Mrs. William Lloyd, York; one grandchild; and two brothers, Luther Kennedy, of Idaville, and Charles Kennedy, of Boiling Springs.

Funeral services at the United Evangelical church, Idaville, on Sunday morning at 9:30 o'clock conducted by Rev. G. W. Frey. Interment at Idaville.

BOTH PLAY TO WOMEN

Presidential Candidates Working For Their Vote.

(By Associated Press)
Columbus, July 23—Governor Cox, Democratic presidential nominee, told a delegation from the national women's party that he had already "two or three men," working among members of the Tennessee legislature to secure the thirty sixth state needed for the ratification of the woman's suffrage.

The suffrage delegation asked the governor to send a personal representative to Tennessee and were surprised and gratified to hear the candidate had "beaten them to it" as they said.

The governor saw the suffrage workers in a round of conferences prior to his departure for Dayton to begin work on his speech of acceptance. He was accompanied by Mrs. Cox and baby Anna.

INSPECTED ORCHARD PLOTS

Professor H. F. Hodgkiss, extension entomologist from State College, is in Adams county inspecting orchard demonstration plots which the Adams County Farm Bureau is carrying on full schedule sprays for rosy aphids, red bug, curculio, and codling moths.

Professor Hodgkiss found the plots in excellent condition and stated that the results showed the advisability of using the four spring sprays and the wisdom of putting on mid summer sprays for codling moths and late feeding caterpillars.

The demonstrations were held in the orchards of D. C. Jacobs and Roy Zinn.

UNIONS ACCEPT UNDER PROTEST

Decision Regarding Rail Labor Board Award Almost Unanimous.

ALL BUT ONE FAVORABLE

Telegraphers Refer Question to Membership Together With Strike Proposition. Other Cases Renewed.

Chicago, July 23—Acceptance under protest of the United States Railway Labor Board's wage decision was decided upon at an executive conference here last night by all of the 16 recognized railroad unions except one. It was announced following the meeting by Timothy Shea, grand chief of the Brotherhood of Railway Trainmen. The one exception was the Order of Railway Telegraphers, which referred the award to its membership, together with a strike proposition. The 15 other organizations decided they would renew their case before the Labor Board.

The organizations which accepted the award expressed dissatisfaction with the amount of increases granted, but decided upon acceptance in order, they stated, to receive the back pay due to them under the award. Leaders said they would present a new request for further increases in wages to meet what they considered "fair wage."

The telegraphers in a statement declared that they "apparently had been unjustly discriminated against by the board without any explanation for this discrimination. They received a smaller amount than any other organization, and the representatives who were in this city have referred the award without a recommendation to the membership, with a strike vote added for such action as they shall decide upon."

Acceptance under protest was announced by the following organizations: Brotherhood of Locomotive Engineers, Brotherhood of Locomotive Firemen and Enginemen, Order of Railway Conductors, Brotherhood of Railroad Trainmen and Switchmen's Union of North America.

The award will be submitted to the membership of the following organizations for a referendum with the recommendation that it be accepted: International Association of Machinists, International Brotherhood of Boilermakers, Iron Ship Builders and Helpers of America, Brotherhood of Railway Carmen of America, International Brotherhood of Blacksmiths, Drop Forgers and Helpers, Sheet Metal Workers International Alliance, International Brotherhood of Electrical Workers and Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Engineers.

The United Brotherhood of Maintenance of Way Employees and Railroad Shop Laborers announced its acceptance without a referendum, as did the Master, Mates and Pilots of America and the Brotherhood of Stationary Firemen and Oilers.

The Brotherhood of Railway Signalmen of America referred the award to its membership for final ratification with favorable recommendation by the officers and general chairmen.

Start To Check Up Loss Of Life After Riot.

(By Associated Press)
Belfast, July 23—Conditions in riot torn Belfast were reported by the police at 1:00 o'clock this afternoon to be "normal." The city was beginning to check up the loss of life and the damage resulting from the two days and nights of fierce fighting between Sinn-Feins and Unionists with the attendant looting by hoodlums.

Last night was one of terror and blood shed up to 1:00 o'clock when things quieted down. Sporadic shooting this morning caused fears that the riot was to be continued today. Up to 1:00 in the afternoon, however, the city has remained quiet during a downpour of rain but passions are running high and it is unsafe to predict what will develop in later hours.

SUICIDE ENDS DOUBLE LIFE

Wife Thought Husband in Memphis; Found Dead in Chicago.

Chicago, Ill., July 23—The researches of another experimenter with the double life ended Thursday in the familiar wretch of revolver smoke. When the police arrived they found Max C. Poindexter, 41 years old, real estate man, oil promoter, husband and father of South Haven, Michigan, lying dead in a room at the Lexington Hotel, with a revolver bullet in his brain. By his side lay a revolver. In the next room was the woman in the case, Miss Ora Walters, of Memphis, Tennessee.

"He was despondent over business losses," said Miss Walters, whose own researches into the double life recently resulted in her becoming a divorcee. "We had a quarrel yesterday. This morning I heard a shot, and when I came in, I found him lying here."

Coroner's Physician Springer, after discovering that the bullet had lodged in the ceiling at an angle which made it certain the shot had been fired from beneath the level of the bed, pronounced the case one of suicide.

Mrs. Poindexter was notified of the tragedy by the police of South Haven. "Why," she said, when Chicago was mentioned, "my husband is not in Chicago. He is in Memphis." There are four children, ranging in age from one to 12. Mrs. Poindexter said she would come to Chicago.

Married when she was 15 years old to George Hawkins, of Mobile, Ala., Miss Walters divorced him six years ago. There were two children, both of whom are living. In 1911 she was married again, this time to James Smith, of Oxford, Miss. They were divorced in 1915, and, resuming her maiden name, Miss Walters went to Memphis, Tenn. There two years ago, while employed as a cashier in a restaurant, she met Poindexter.

FIND NUDE WOMAN IN TRUNK

Had Been Shipped From Detroit Early in June.

(By Associated Press)
New York, July 23—The body of a nude woman jammed in a trunk was found today by employees of the American Railway Express company among the unclaimed baggage in the company's east 44th street warehouse. The trunk had been received from Detroit June 17.

The woman was a brunette, the police say. Her body which had been jammed into the trunk with her head thrown back and knees crowded closely against her chin was wrapped in newspapers and a long piece of cloth. The newspapers were all Detroit editions of June 9 and 10.

Investigation reveals that the woman's legs were broken probably after death to make the body fit the trunk which was a small affair. There are also indications that the woman had been strangled before her body was thrust into the case.

The feminine wearing apparel found on the body, the police say, consisted of a complete outfit including a silk negligee and high shoes evidently of an expensive grade. The body, the police say, was badly mutilated apparently having been slashed with a knife.

CHILD JUMPS TO DEATH

Prefers That to Whipping at Hands of Father.

New York, July 23—Preferring death to punishment by her father, 11-year-old Angelina Soire threw herself from the window of her home into a yard four stories below. She died in the hospital Thursday without regaining consciousness.

She believed her father was going to punish her for quarreling with another girl, the police say. She left her parents this note: "I was no use. To get killed I throw myself out the window."

WHISKY THIEVES PAY

Toledo, O., July 23—Seventeen Sandusky men involved in the theft of alcohol have been ordered by the Federal court to pay the Lake Erie and Western Railroad Company \$36,067 and costs. Several of the men are in prison.

A carload of grain alcohol standing on a siding at Erlin, near Sandusky, was emptied by last February. The total number of men implicated in the theft has reached 34.

of existing labor conditions on the farm; the outlook is regarded by Secretary Rasmussen as being excellent, the proper harvesting of the crops presenting the only serious problem.

Early in the spring, with weather conditions extremely unfavorable, the outlook was not bright for big field crops, but the June weather did much to correct this condition. The Hessian fly made its appearance in the wheat during June and on July 1 the crop was estimated at 86 per cent of normal, which would indicate an average yield per acre of 17.6 bushels and a total yield for the state of 27,564,000 bushels, which is a million bushels more than the average for the past five years, the average for this period being 26,319,780 bushels. The estimates placed on the oats and tobacco crops indicate that these will run well above the five year average.

The area planted in corn this year is estimated at 1,476,840 acres, which is 96 per cent of the acreage planted last year. The area planted to potatoes in the state this year is estimated at 239,920 acres which is 95 per cent of last year's acreage. The area planted to tobacco this year is estimated at 39,415 acres, or 95 per cent of the acreage planted last year. It is estimated that there are 20,600 acres in the state planted to field or dry beans, this being 92 per cent of last year's acreage.

According to the table the wheat crop for the State will be 86 per cent compared with normal, average yield per acre, 17.6 bushels, estimated total yield, 27,564,000 bushels, average production for past five years, 26,319,780 bushels.

Rye, 93 per cent of normal, yield per acre 17.2, estimated total, 4,027,000, production past five years, 4,456,000 bushels.

Oats, 95 per cent of normal, yield per acre 34.7 bushels, estimated total, 40,000,000 bushels, average past five years, 38,171,000 bushels.

Corn, 85 per cent normal, average yield per acre, 40 bushels, total estimate, 59,075,000 bushels, past five years production, 61,389,525 bushels.

May, 85 per cent normal, yield per acre 1.40 ton, total estimate, 4,188,000 tons, past five years average, 4,394,400 tons.

Potatoes, 94 per cent normal, yield per acre, 92 bushels, estimated total, 22,072,600, past five year average, 24,090,500 bushels.

WILL CELEBRATE ANNUAL MASS

(Continued from First Page.)

the best brain. The robins that escaped from us when the wintry winds visited them too roughly are back again, their little homes all round about this sanctuary. They sing their song fearlessly, for they know God is close to them here and not one shall fall. The old whippoorwills chant their vain-glorious vespers at even. Our woods are wild, but this week church in the heart of the wilderness sheds a halo of God's love and tender care in lives that otherwise would be dark indeed. That's human nature, dears: Sometimes the exterior rugged and harsh, but the soul golden and pure. We'll first give you religion as the old missionaries did to the Indians. Then our faithful women will set before you a repast fit for an American: Irish potatoes flavored by the Dutch, Puritan Plymouth rock swimming waltz in "grace." There's a melting pot dinner for you."

Father W. W. Whalen, the rector, said: "Since many people seem afraid to enter a church, though they don't tremble at trotting into a dark room and trying to summon up the dead from their peaceful graves, why then we'll give such folk a chance at a religious open air service, the same that was conducted in the dark catacombs of the Eternal City under the tottering thrones of the emperors."

DIVORCE WAVE IN FREDERICK

Frederick, Md., July 23—There has been a startling increase in the number of applications for divorce and decrees granted by the Circuit Court judges in Frederick county in the past six months. Twenty two decrees of absolute divorce have been awarded 14 to wives and eight to husbands.

In the past seven months 64 applications for divorce, separations and petitions for support have been entered in the equity docket in the

clerk's office. Thirty five of these applications came from wives and 19 from husbands.

Non-support and infidelity run neck and neck as the basis for a legal separation. The "affinity" has become a prominent and potent factor in divorce proceedings, and testimony taken in court has brought to light sordid and lurid stories of unfaithfulness.

LOST TO DILLSBURG

Lloyd Palmer, left handed hurler of the First Ward nine, journeyed to Dillsburg to pitch for Bendersville, Thursday evening, and was driven from the mound in the fifth inning. Final score, 18-0, in favor of Dillsburg.

Both Palmer and Bream, who relieved him, were handicapped greatly by poor support.

Try This To Banish All Rheumatic Pains

People who have been rheumatic sufferers for years—yes, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of Rheuma.

Rheuma acts with speed; it often brings in only a few days the relief you have longed for. It helps antagonize and drive from the system the poisons that cause agony and pain in the joints and muscles, then all soreness should completely disappear. It is a harmless, inexpensive remedy, but gratifying and quick-acting, and is the one discovery that has forced rheumatism and sciatica to yield and disappear.

It's only necessary to try one 75-cent bottle, and if you do not immediately begin to get the joyful relief you expect your money will be gladly returned. People's Drug Store always has a supply of Rheuma and guarantees it to you.

PESKY BED BUGS

Bedbugs lay an average of seven eggs per day. Under favorable conditions they hatch in five days of which two-thirds are females. They mature to adults and are capable of laying in four weeks. How many bedbugs would you have in a year if you left one female or egg unattended for one year? To rid the pesky bedbug, you can readily see how necessary it is to use a preparation that will kill the eggs as well as the live ones. P. D. Q. has been demonstrated by the leading Hospitals, Hotels and Sanatoriums that the safe and most effective way to stop these generations of bedbugs, fleas, and ants is to use the new discovery "P. D. Q. is never peddled."

SPORTING COLUMN

FOUR STRAIGHT FOR SECOND WARD

Defeat First Ward in Short Contest. Score 4-1.

Hits bunched with passes and errors in the second and fourth innings enabled Second Ward to tally four runs and defeat First Ward again. Score 4-1.

The victory which was the fourth in as many days for Second Ward closed the breach between the lead and runner up positions as the Third is ahead now but only by a scant half game.

Brady Armor, young High School pitcher, was on the mound for First Ward and deserved a better fate. In the second inning he fanned Ikeler, Pontius and Bream in a row. Weiser, however, allowed the third strike on Bream to get away from him and the runner reached first in safety. Riddle followed with a hit over shortstop and King beat out a grounder to third, two men scoring.

Two bases on balls and a passed ball resulted in two more runs for Second Ward in the fourth.

First Ward tallied in the fourth when "Duckey" Armor and Weiser singled in succession and Ikeler uncorked a wild pitch.

Ikeler, twirling his second game of the week, allowed two hits and fanned ten.

First Ward was, as usual, greatly handicapped by the absence of several regular players.

Hanover won the first game of a double header from Waynesboro on Thursday when "Red" Porter allowed but one hit. Score 8-1. In the second contest, however, "Pat" Kunkle was defeated, 2-0. Yordy, the slugging Waynesboro first sacker, led the attack with two triples.

Frederick won a listless game from Chambersburg 3-0. The second contest was forfeited to Chambersburg, 9-0, when the Frederick team refused to take the field.

Hagerstown defeated Martinsburg, 8-3, by staging a five run rally in the seventh inning.

PALE SALLOW WOMEN

Need Not Be So If They Will Profit By The Experience Of Other Women In This City.

Since Vinol was first introduced here some years ago it has made a great many friends among our women because it is such an unusual remedy. It is the first cod liver medicine ever to have been made without the oil and nauseating grease, and the iron employed in its composition is an improvement over old medicinal iron. Many women here who were once pale and sallow and always tired, are now robust and strong, because Vinol certainly and quickly creates red blood and makes one's daily food produce the necessary nourishment for good health. We sell and guarantee Vinol. People's Drug Store, Gettysburg.

MILITARY FORCE REVOLUTIONIZED

Reorganization Bill Places New Army on Peace Time Basis.

(By Associated Press)
Washington, July 23—America's military establishment is being practically revolutionized under the terms of the new army reorganization bill which became effective July 1. Army officers say the work will not be completed for some months because of the broad scope of the measure passed at the last session of Congress to place the land forces on a permanent peace-basis.

While the regular army will contain only 295,000 officers and men scattered over the country and the insular possessions, it will be so arranged in conjunction with the National Guard and the Reserve that rapid expansion of the nation's fighting forces in time of emergency will be possible.

The National Guard will have about 440,000 officers and men, but the strength of the reserve has not yet been worked out and will depend largely on the enlistment of eligibles. The regular army reserve as it formerly existed, composed of former enlisted men furloughed to the reserve to complete their enlistment period ceased to exist as such on July 1. In its place there is established the enlisted reserve corps and the officers reserve corps. The members of the former, except veterans of the world war, are required to enlist for three years. Veterans of the world war may enlist for only one year.

The officers reserve corps is composed of officers who held temporary or reserve commissions during the war emergency and graduates of the student officers training school.

To accomplish the reorganization of the National Guard and the initial organization of the reserve, the army bill provides for a general committee to be composed of regular army general staff officers and an equal number of reserve or national guard officers. In addition, 52 other committees, representing each state and territory will arrange the National Guard organization in each state and territory. Some of these committees have not been appointed by the governors and consequently this work has not yet been put under way.

While no full plan of organization has been made public, a tentative plan to be placed before the committees would divide the country into nine districts with an army corps in each. This corps would consist of one regular, one guard and two reserve divisions, so organized that in an emergency the two reserve divisions, which theoretically would be the only ones much below war strength, could be filled up with selective service men. A full quota of officers drawn from the officers' reserve corps would be available for these divisions at all times.

The new regular army strength provides for approximately 17,000 commissioned officers. To provide this number about 7,000 reserve and

temporary officers have been kept on duty and it is the plan to reach the full officer strength by commissioning about 7,000 such officers and enlisted men in the permanent army. Officers and men to be so commissioned will be selected by a board, known as the Pershing board, headed by General Pershing and including six other officers.

The bill broadens the scope of the reserve officers training corps at the various educational institutions over the country, provides instructors and material for the schools and also authorizes summer camps to last six weeks for advanced training of the student officers. Graduates of the training corps may be commissioned in the organized reserve.
